A new project named The Title Halo 1, introduced at the end of 2022, is located in close proximity to Nai Yang Beach - just 350 meters away. A distinctive feature of this condominium is its magnificent garden surrounded by green hills. The complex includes six seven-story buildings, housing 329 apartments of varying sizes - from 36 to 81 square meters.

Inside the condominium, there are three swimming pools, one of which elegantly winds between the buildings, bringing freshness and coolness. At the center of the pool is a beautiful green lawn designed for yoga sessions or other activities. For the residents' use, there is a fitness center, sauna, and water slide.

The six seven-story buildings of the complex are conveniently located near Sirinat National Park. The sea is just a 5-minute walk away. Close to the complex, there are mini-markets, cafes, and restaurants. Phuket International Airport, Blue Canyon Golf Club, and Splash Jungle water park are all within a 5-10 minute drive.

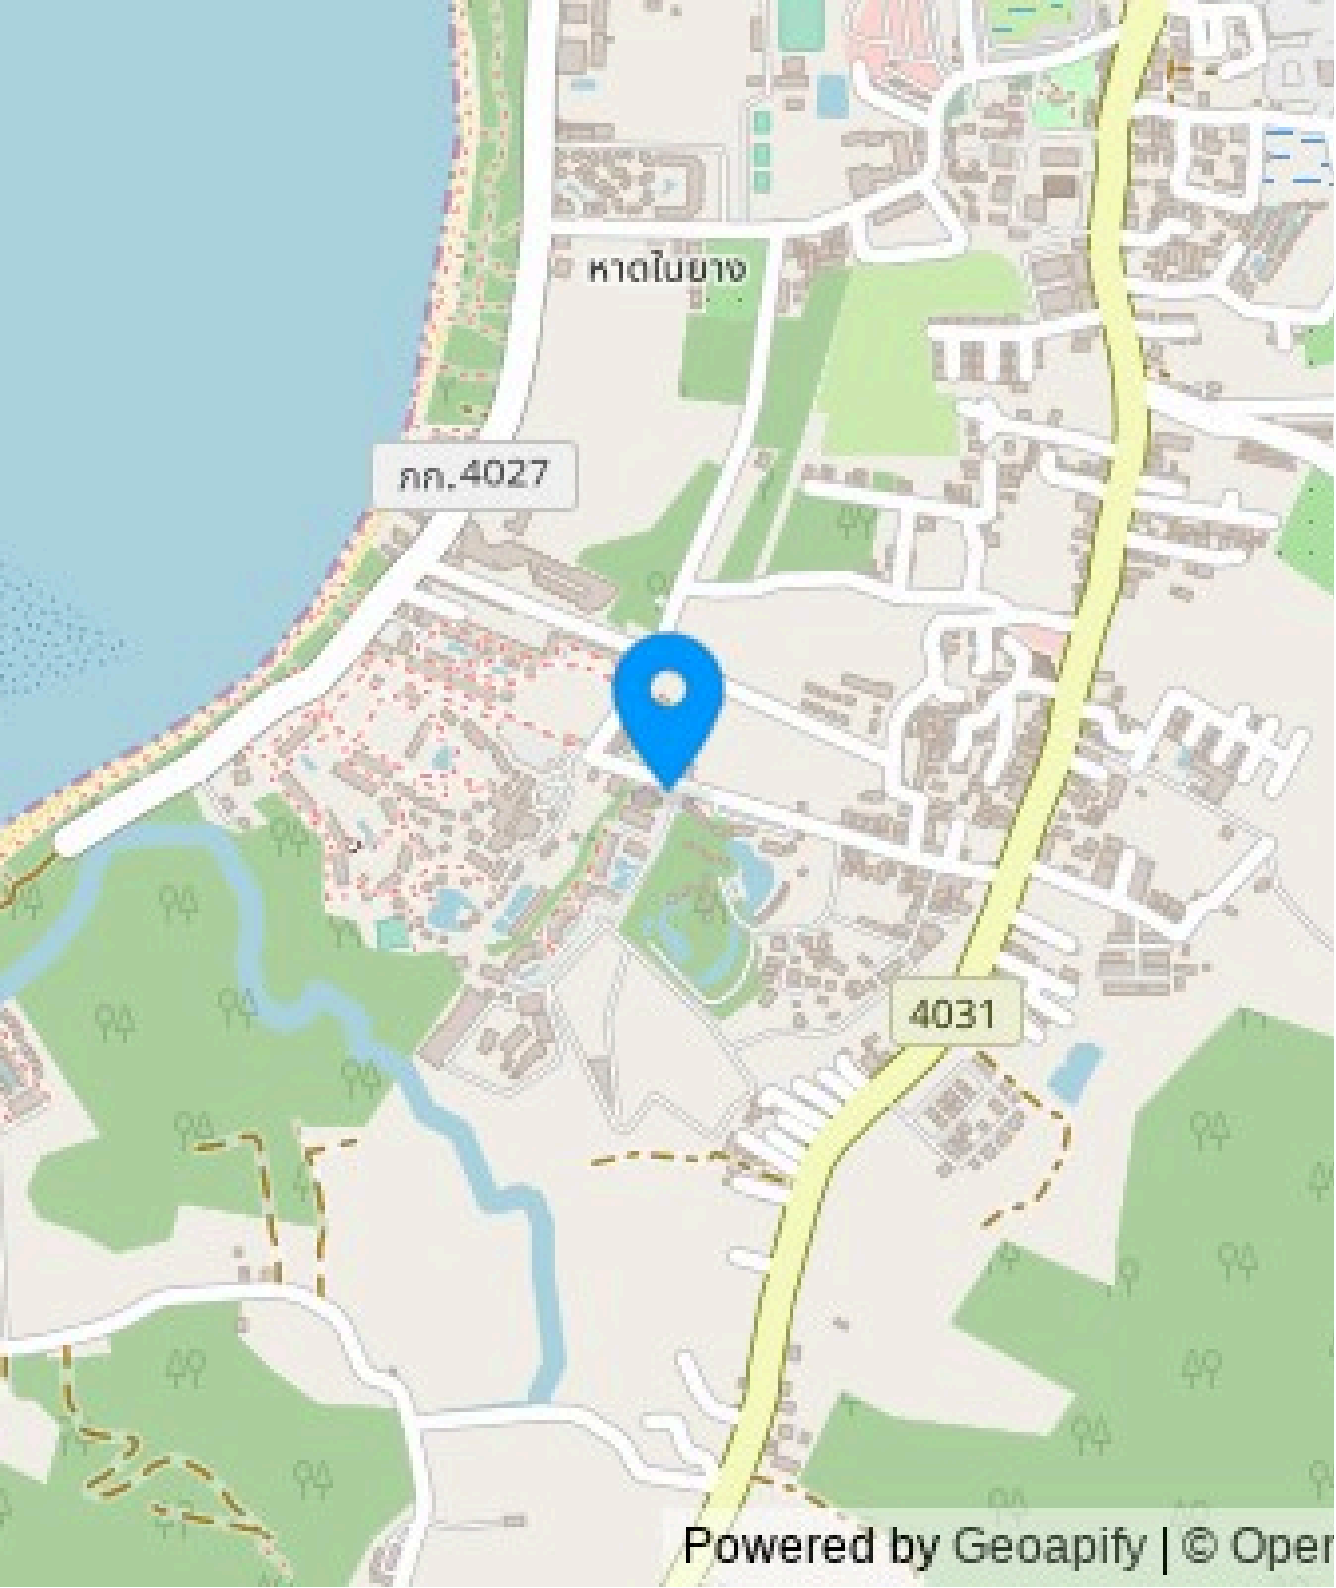

The project is overseen by Rhom Bho Property PLC, a company founded in Thailand in 1989 and operating in Phuket since 2007. Their portfolio already includes five successfully implemented projects, which have gained great popularity among those vacationing on the island: The Title Residence on Nai Yang Beach, three phases of The Title Rawai, and The Title V on Rawai Beach.
