Andman Asset Solution Company Limited brings your vision of your own home to life with pool villas designed by a team of design professionals. Every detail, from materials to furniture, has been carefully considered to ensure that your Phuket property investment is as profitable as possible. The concept of the new project "The Residence Prime" embodies an ideal location close to Laguna Phuket, educational institutions, hospitals, restaurants and a variety of leisure activities, but at the same time being in a calm and cozy home environment. The villa complex is under 24-hour security. There is a modern fitness club with a gym on site. Each villa is equipped with a smart lighting system called Control, which automatically controls the lights in your home, creating ambiance and providing safety notifications. This project embodies the art of modern design and technology. If you're ready to take the next step to owning one, contact us now and don't miss out on this unique opportunity.
