Layan Green Park" in Phuket is more than just a developer. With a decade of experience, the company has established itself as an expert in the premium resort real estate sector, ideal for both comfortable living and lucrative investments.

The new project, Layan Green Park Phase 2, is an evolution of the best features presented in Phase 1. Taking customer feedback into account, they have created something truly unique:

- Unparalleled environmental technologies with savings of up to 50% on water and electricity.
- 386 stylish apartments ranging from 36.72 to 297.50 square meters, ready for living and investment.
- A unique location just 700 meters from Bang Tao Beach and 2 km from the Laguna area with its golf courses and tennis courts.
- Impressive infrastructure covering over 4500 square meters with pools, restaurants, and everything needed for high-quality living.

Phuket offers many options, but Layan Green Park provides what truly matters: ecology, family, and quality. Invest in the best. Book a viewing today and see for yourself.
