€ 461 594

Two unique beachfront bungalows that epitomize the true embodiment of natural beauty and style. The property is located on the tranquil Coconut Island, just steps away from the sea. This place perfectly blends seclusion with proximity to major attractions, creating a unique living experience.

The bungalows are designed with spacious interiors filled with light, as well as panoramic beach views. Each bungalow integrates environmental elements into its design, merging indoor and outdoor into a unified whole, creating an atmosphere of harmony and tranquility. Coconut Island offers the privilege of immersing in the natural beauty of untouched Thailand while maintaining access to all necessary amenities. This place provides an ideal balance for those who value peace and tranquility, yet do not wish to forgo entertainment. Kalinka Thailand brokers are always ready to offer you unique options and special conditions for purchasing this unique home on the quiet Coconut Island.
