One of the most scenic apartments in the Fantasea Condo Kamala project. The windows offer a panoramic view of the park where the evening Fantasea and Carnival Magic shows take place, the entire area lights up with bright lights, creating an incredible atmosphere of festivity and magic. Fantasea Condo Kamala, an example of a modern residential complex, occupies a convenient location just 800 meters from Kamala Beach. The complex's two seven-story buildings house 164 apartments of various sizes - from 26 to 53 square meters. Residents have access to a swimming pool, terrace, and fitness center. Thanks to its location, Fantasea Condo Kamala is within a 5-10 minute walk from a diverse infrastructure, including banks, restaurants, shops, and massage parlors. Within walking distance, there is a 24-hour minimarket, Big C hypermarket, and local farmers' markets. The famous beach club Cafe Del Mar, as well as the evening parks Fantasea and Carnival Magic, are located on the neighboring street. The construction of the condominium is undertaken by Fantasea Plus, a Thai construction company with extensive experience in Phuket.
