€ 873 689

Nai Harn Baan Bua is a unique villa located just 1 kilometer from Nai Harn Beach. It includes 4 bedrooms and 5 bathrooms, as well as an additional room for staff. The villa's design features high ceilings and extensive glazing, allowing natural light to fill the interiors.

The villa has a unique GALLERY LOFT design that creates a warm and cozy atmosphere. It is perfect for those who want to enjoy a simple yet stylish lifestyle surrounded by nature. Every detail is meticulously thought out to create a harmonious combination. The villa's territory is immersed in tropical greenery, and a large pool allows the entire family to relax.

Near the village where the villa is built, you will find everything you need, from restaurants serving cuisines from around the world to gyms, massage parlors, and shops.

Don't miss the opportunity to become the owner of this unique villa and enjoy life in complete harmony with nature. Contact the brokers at Kalinka Thailand today to learn more about our unique offers and purchase conditions.
