The Menara Hill project is the first modern Moroccan style pool villa located on the island of Phuket. The private pool villas have been designed with stunning views in mind, allowing you to enjoy the breathtaking beauty of nature and magnificent evening sunsets. They represent the perfect combination of modern design and Moroccan atmosphere, creating a unique space for living and relaxing. Menara Hill is not just a residential complex, it is a place where the dream of living in harmony with nature comes true. Surrounded by lush greenery and forested mountains, the area offers an eco-friendly and attractive living environment. The designers paid special attention to creating a dignified atmosphere where residents can enjoy peace, privacy and life balance. The Menara Hill project is designed to meet the needs of those who value the beauty of nature, modern comfort and a unique lifestyle. Don't miss the opportunity to become part of this unique project.
