VIP Venus Karon is a modern 8-storey residential complex currently under construction on the island of Phuket in Thailand. The project includes 214 units of varying sizes, from 24 to 35 square meters, including studios and one-bedroom apartments. There will be parking on the ground floor, and residential and public spaces will be located from the 2nd to 8th floors. The planned completion date of the complex is the fourth quarter of 2026. This makes it an attractive option for those looking for modern and comfortable accommodation in Phuket. The complex will include parking, a garden for rest and relaxation, and a rooftop swimming pool, which will be an ideal place to relax and socialize with neighbors. In addition, on the ground floor there will be a lobby where you can meet guests or just spend time, as well as a legal office to resolve any issues and public restrooms for your convenience. On the second floor there is a sports room so you can maintain your physical fitness right at home. For more detailed information about VIP Venus Karon and terms of purchase, please contact Kalinka Thailand brokers. We guarantee you an individual approach and the best offers for your future home in Phuket.
