Welcome to Nature's Rest Villa, your new home away from home. Our project is located in the Cherg Talay area, surrounded by lush greenery and an atmosphere of tranquility. There will be 12 villas built, and the entire project will ensure maximum privacy and exclusivity.

Each spacious villa is carefully designed and includes a large living and dining area, creating the perfect space for entertaining guests or simply relaxing with family. The kitchen is fully equipped with modern appliances and offers plenty of space for cooking. Each of the 5 bedrooms has its own ensuite bathroom. Additional spaces allow you to tailor them to your specific needs.

The villa's interior features a combination of dark and gold tones, complemented by wooden ceilings, adding elegance and sophistication. Step out into the fresh air in your own oasis with a pool, where you can host guests in the gazebo and barbecue area, perfect for intimate gatherings or large parties. Simplify your household chores with the included laundry room and storage room. Don't worry about your car, thanks to the covered garage with space for two cars.

Located in a prestigious area, our villas are conveniently situated near Robinson Lifestyle Thalang, Boat Avenue Market, Porto de Phuket, as well as cafes and restaurants. You can also enjoy the nearby Blue Tree Phuket water park and Laguna golf club, while beach lovers will appreciate the beaches of Bang Tao, Layan, and Surin. Whether you're looking for a vacation home or permanent residence that offers comfort and style, Nature's Rest is exactly what you need.

Our surveillance systems and 24/7 security ensure your safety and peace of mind. Our gated residential complex provides an additional level of privacy and exclusivity, allowing you to enjoy everything Nature's Rest has to offer in an atmosphere of peace and tranquility. We have electric vehicle charging stations and underground power lines that enhance the area's aesthetics. We offer Tesla car service for airport transfers up to 12 times a year, providing a comfortable and environmentally friendly journey while minimizing your carbon footprint. We also offer butler services to cater to all your needs.
